MEETINGS MADE SIMPLE

The dedicated meetings and events team pride themselves on customer service at the highest standard that is conveyed to each individual client. Accommodating for as little as 2 delegates to a maximum capacity of 450, our priority is to help you deliver your objectives to the fullest as the smaller meetings are just as important as the larger conferences. Your business and requirements matter and becomes our project, inspiring us to bring your ideas to life.

The Sala Room can accommodate up to 70 people in a cabaret style set-up and an audience of up to 120 for theatre arrangement. The Sala Room includes a 5 meter high ceiling embedded in exquisite detail with stunning stained-glass windows which look onto a private balcony useful for an informal gathering of small groups or a one-to-one meeting. With a burst of natural daylight, the room is also fully equipped with modern technology, AV devices and other supporting materials along with great acoustics that will certainly help you to deliver the most important meeting.

Adjacent to The Sala Room and balcony, the open area of the mezzanine floor is a unique space of its own that offers a landscape view onto the luxurious central foyer. The welcoming space allows clients to take a refreshment break from their meeting which can also be used as a register desk for signing their attendance upon arrival.

For larger meetings with a bigger audience The Bentley Room would be best suited to accommodate your needs, as the conference suite has the capacity to hold up to 450 delegates in theatre style and 200 in cabaret set-up with a designated stage area which can be utilised as a speaking platform for conferences. The modern design offers a bright-walled environment, a room that is self-reliant with its own elevators to and from the hotel's reception, a cloakroom, a built-in bar and The Bentley kitchen where food can be prepared independently, which also allows the option for dry-hire. The Bentley reception space is included in the hiring of The Bentley Room which is ideal for your delegates to use for arrival drinks and refreshments.

Both of these enticing function rooms have had a previous history of hosting large and small conferences as well as award winning ceremonies, gala banquets and are faultless for any style of meeting or event. Whatever the function, The Bentley Room is desirable for those hosting larger gatherings and The Sala Room is exquisite for something slightly smaller.
